GENUINE PRODUCTS

285I™

365I™

405I™

285I

- **Output:** 12 Volts 200 Amps - 140 Amps at idle
- **Dual Internal Fans:** Provides maximum cooling
- **Remote Sense:** Drastically reduce battery charge time
- **Warranty:** 2 years/250,000 miles

365I

- **Output:** 12 Volts 160/165/170 Amps - 100 Amps at idle
- **Highest output at low RPM:** Manages heavy electrical loads at low RPM preventing premature battery discharge
- **Remote Sense:** Drastically reduce battery charge time
- **Brushless durability:** 13 fewer moving parts than a brush-type alternator, eliminating components that wear out while extending product life
- **Warranty:** 3 years/350,000 miles

405I

- **Output:**
 - 12 Volts 240 Amps - 160 Amps at idle
 - 12 Volts 275 Amps - 180 Amps at idle
 - 12 Volts 300 Amps - 190 Amps at idle
 - 12 Volts 320 Amps - 190 Amps at idle
- **Highest output at low RPM:** Manages heavy electrical loads at idle preventing premature battery discharge
- **Remote Sense:** Drastically reduce battery charge time
- **Brushless durability:** 13 fewer moving parts than a brush-type alternator, eliminating components that wear out while extending product life
- **Longer system life:** Extends life of alternator
- **Efficiency and power density:** Highest combination in its class, providing substantial fuel savings
- **Warranty:** 3 years/350,000 miles

- **Tested and approved for all MX engines**
- **Over Crank Protection:** A built-in circuit breaker, protects the starter from thermal damage, automatically resetting at a safe operating temperature
- **Design refinements** for optimal performance
- **Improved starter pinion engagement:** Redefined electrical soft start reduces wear-and-tear by slowly rotating the pinion until it properly engages into the ring gear before cranking.
- **Warranty:** 3 years/350,000 miles (OCP)
1 year/100,000 miles (Non-OCP)
