

**50 DN RECTIFIER END FRAME USE**

**WARNING!!!** ALWAYS USE PROPER EYE PROTECTION WHEN PERFORMING ANY MECHANICAL REPAIRS TO A VEHICLE – INCLUDING, BUT NOT LIMITED TO, ANY INSTALLATION AND OR REPAIRS TO THE DELCO REMY ALTERNATOR. FAILURE TO USE PROPER EYE PROTECTION CAN LEAD TO SERIOUS AND PERMANENT EYE DAMAGE.

Only perform the mechanical functions that you are properly qualified to perform. Mechanical repairs that are beyond your technical capabilities should be handled by a professional installation specialist.

**DANGER!!!** To avoid injury or damage, always disconnect the negative cable at the battery before removing or replacing the alternator. The alternator output terminal is always live (“hot”). If the battery is not disconnected, a tool accidentally touching this terminal and ground can quickly get hot enough to cause skin burn or damage to the tool and surrounding parts.

**CAUTION: DO NOT SUBSTITUTE** the enclosed end frame for any other part number unless called for by the Delco Remy Service Parts Catalog or other approved service part specifications. This end frame only replaces end frames with an "X" stamped next to the oil inlet hole, indicating high oil flow capacity. If installed on the wrong alternator, the increased oil flow in this end frame may cause the cooling oil flow to stop due to "flooding" and the alternator will overheat very quickly. The alternator could get hot enough to cause personal injury due to skin burns, and cause **SEVERE DAMAGE** to the alternator.

**WARNING** – Be aware that only licensed Remy Inc. product and component parts should be used and the use of other parts or modifications not approved by Remy Inc. will void any warranty concerning, but not limited to, product performance or reliability. The failure to carefully follow Installation Package guidelines set forth above will likewise void any and all warranty, **including the implied warranties of merchantability and fitness for a particular purpose.** Delco Remy® is a registered trademark of General Motors Corporation, licensed to Remy Inc., Anderson, IN 46013.
